

Intercessory Prayer Ministry

"Pray for me. Pray for my friend." "I will." Exchange of these simple words occurs everywhere and often among people of faith. At Emmanuel we learn every week the names of those who request our prayers as a congregation. As individuals many of us, perhaps most of us, pray often throughout the week for those on the service lists and for others.

The Intercessory Prayer Ministry receives names on a regular basis that are in need of prayer. The church office obtains the names and contacts the Ministry Chair who then notifies the members of the Ministry. No time limit is set on prayers and confidentiality is observed if requested. We all know how important prayer is to each of us and how much comfort it gives.

Anyone who would like to be a Prayer Minister, accepting the commitment to daily prayer, should also contact the ministry coordinator. The Prayer Ministry definitely subscribes to the view, "More is better."

Please remember to call on Emmanuel's Prayer Ministers and keep our Ministry in your prayers - it is a wonderful manifestation of God's grace reflected among us.
