

## Our Daily Bread

Our Daily Bread is a community ministry organized and administered by Action Ministries Athens and the Oconee Street United Methodist Church. The simple purpose of the ministry is to feed the hungry. Emmanuel has participated by providing teams of volunteers for many years.

Our Daily Bread serves breakfast and lunch on weekdays, sack lunches on Saturdays and sack suppers on Sundays.

“We don't require any proof of eligibility to eat at Our Daily Bread. Hunger is the only requirement, and all are welcome - from our mayor to the newest person in town. Nor do we preach to people before they are fed; we think service is the best sermon.” -- Lisa Caine, Pastor at Oconee Street United Methodist Church
