

## Athens Episcopal Young Adults

Athens Episcopal Young Adults, also known as E2YA, welcomes everyone in their 20s and 30s, as well as those that feel that age, who are single, coupled, married, and with or without children. E2YA is foremost a Christian community offering friendship, support and spiritual development for those within and outside of the Episcopal tradition of worship. As we say "everyone is welcome" to join us!

### Friendships start with community.

- Beginning in December 2008, E2YA has offered an evening outing once per month. Newcomers and regulars gather at a local restaurant in downtown Athens to enjoy each other's company, engage in conversation, and share a meal. Timely topics are often discussed, and for those interested in learning more about the Episcopal tradition assistance is available.
- Beginning in summer 2009, E2YA has offered a brunch/lunch outing following the 10:30 a.m. Sunday service. Newcomers and regulars gather at a local restaurant immediately following the service, which normally ends around noon.
- Emmanuel Parish offers a variety of ministries to parishioners. E2YA members may wish to become involved in parish life through participation in the Brotherhood of St. Andrew, various dinners and events held regularly at the parish, or through volunteering for one of the many ministries actively serving the parish and broader community. Take a look at the "Ministries" section of this website for a complete list of ministries.
- E2YA participates in the full life of the parish through attending regularly scheduled worship, bible study, and formation programs. Adult spiritual formation offers various regularly scheduled classes.
- E2YA also joins the Episcopal Center of the University of Georgia for midweek services. Wednesday evenings is an opportunity to gather for worship with Holy Eucharist with a meal after the service prepared by the Center staff. This is a great opportunity to connect or reconnect with the University of Georgia community, and there are ample opportunities for other worship and community service through the Center.
