We're a (very) informal group of 20- and 30-somethings – students & young professionals; single, married & partnered; from a variety of backgrounds – who gather from around Athens to, in the words of The (Episcopal) Book of Common Prayer, “...continue in the apostles' teaching and fellowship, in the breaking of bread, and in the prayers.” In addition to creating worship, devotional, and service opportunities outside of Sunday mornings, we gather regularly over simple food and drink to ask one another good questions about the life of faith, and to explore Christianity's and the Episcopal tradition's rich resources for walking that journey with integrity. Some of us are Episcopalians and some are interested in learning more about The Episcopal Church. Others are simply seeking a safe place to ask the big questions alongside fellow seekers.

Wherever you are along the journey, please join us!
