Registration is a lottery format. You may join us the morning of registration or opt to drop off your application and fee before Thursday Feb. 2nd.

Please arrive in the Common Room by 9:30. Write your child's name on an index card and drop it in the basket. Registration forms that are dropped off to the office will be in the basket and you will receive an email that morning informing you of your class placement.

At 9:30 I will draw names and you will come up to the registration table. You will know immediately your child's class placement. This process usually takes less than an hour; your children are welcome to be with you.

- Please have your application completed on both sides with your choices ranked 1st, 2nd, and 3rd.
- Please have a check for the non-refundable \$150 registration fee made out to EEDS.

* Active members of Emmanuel Church are individuals who in the calendar year preceding registration are recognized by the parish staff as regular participants in the worship life of the congregation and support the mission and ministry of the congregation through time, talent and treasure. Or are individuals who have transferred from another parish to Emmanuel during the preceding calendar year, who since have become regular participants in the congregation and support the church through their time, talent and treasure.
